

## **Ireland Producer Ltd Register Number**

### **European Union (Waste Electrical and Electronic Equipment) Regulations 2014 (S.I. No. 149 of 2014)**

The Environmental Protection Agency (EPA) leads the enforcement of these regulations in Ireland. Cisco, as a producer of B2B EEE, have various obligations under these regulations, otherwise known as the WEEE Regulations.

For B2B producers who sell Electrical and Electronic Equipment (EEE) by means of distance communication i.e. by placing EEE on the market in Ireland using a website – the EPA has notified all producers that there is the obligation to display on their website the registration number issued to Cisco by the registration body (Producer Register Limited).

Regulation 13(5) of the WEEE Regulations requires a producer to display their Producer Register Limited (PRL) number on their website if the website has any of the following characteristics:

- Customers can directly purchase EEE from you using your website i.e. an e-commerce website;
- Customers can contact you using your website i.e. you have a “contact us” section on your website; or
- EEE being distributed is displayed on your website i.e. marketing

### **Per above regulation:**

**The Producer Register Number for Cisco International,  
(Ireland Branch) trading as “Cisco” is **3686WB.****
