End-of-Sale and End-of-Life Announcement for the Cisco SolutionsPlus: VBrick M4 Server Appliance for VBrick REV

EOL12814

Cisco announces the end-of-sale and end-of life dates for the Cisco SolutionsPlus: VBrick M4 Server Appliance for VBrick REV. The last day to order the affected product(s) is February 18, 2019. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

Table 1. End-of-Life Milestones and Dates for the Cisco SolutionsPlus: VBrick M4 Server Appliance for VBrick REV

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end of sale and end of life of a product is distributed to the general public.	November 19, 2018
End-of-Sale Date: HW	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	February 18, 2019
Last Ship Date: HW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	May 19, 2019
End of Vulnerability/Security Support: HW	The last date that Cisco Engineering may release a planned maintenance release or scheduled software remedy for a security vulnerability issue.	February 17, 2022
End of Routine Failure Analysis Date: HW	The last-possible date a routine failure analysis may be performed to determine the cause of hardware product failure or defect.	February 18, 2020
End of New Service Attachment Date: HW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	February 18, 2020
End of Service Contract Renewal Date: HW	The last date to extend or renew a service contract for the product.	May 16, 2023
Last Date of Support: HW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	February 29, 2024

HW = Hardware   OS SW = Operating System Software   App. SW = Application Software

Product Migration Options

For migration options for CVC-DME-M4-M, consider CVC-DME-M5-L or using a recommended virtual machine. For CVC-DME-M4-S, use a recommended virtual machine. All other component part numbers were for the M4 based appliances and are not needed for new M5 based deployments.

Service prices for Cisco products are subject to change after the product End of Sale date.

The Cisco Takeback and Recycle program helps businesses properly dispose of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to: https://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.
